

# The Grand Bargain in 2021

## More inclusive membership

Number of signatories

## Loss of momentum in second half of 2021

## Political caucuses

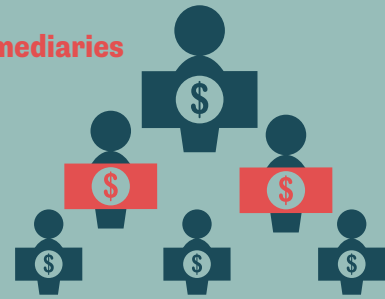

### Cash coordination

### Quality funding

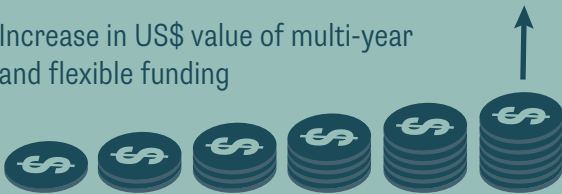

### Intermediaries

## Key achievements and remaining gaps

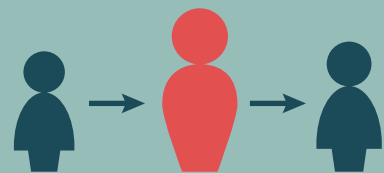

### Enabling priority 1

Increase in US\$ value of multi-year and flexible funding

### Enabling priority 2

Increased support for local leadership

**BUT**

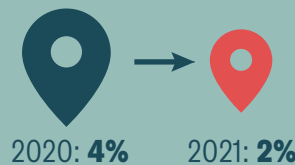

Not keeping pace with humanitarian needs

Not equitably distributed

**BUT**

Proportion of direct funding to local actors halved

No participation revolution
